News from the VHF Board of Directors

The Board of Directors is pleased to announce that, following a unanimous vote, Barb Cooksey has been elected to sit on the Villages Honor Flight Board of Directors. Barb will fill the vacancy resulting from the departure of Erin Brewer. Erin had agreed to serve a one year term and at the end of that term opted to pursue other options. Please, when you see Erin, thank her for her service to the Board.

Barb Cooksey has held various positions with Villages Honor Flight over the past several years and brings with her an understanding of our history, philosophy and how we have evolved into the excellent organization we are today. In addition, Barb will not hesitate to question the status quo and ask the difficult “why” and “what if” questions that will allow us to continuously improve our organization. So, please welcome Barb to the Board and extend to her your congratulations.
